**The Spokane River is the conduit to making connections.**

Our event, called *Spoken River*, features moving stories about the powerful relationships we have to the Spokane River. You'll hear about its past, its present and the hopes for its future from insightful storytellers in our community.

**Help us protect the River.**

We are local non-profit, working with law and policy to defend clean water in our basin's rivers. Your generosity will help us educate our youth, collect scientific data, pick up litter, and much more. To see the depth of our programs visit us at [www.spokaneriverkeeper.org](http://www.spokaneriverkeeper.org)

**Be a Sponsor – be a Keeper too!**

In doing so, you will support the operations and programs that protect the Spokane River. Our economy depends on a healthy river drawing us all to it's banks for well-being and sense of connection to this wonderful community.
